Full News Brief

September 11, 2008 - SIFMA Collateral Management Lunch & Learn

Sindex Financial Systems will present an overview and lifecycle of collateral management issues as well as real life examples to introduce the lunch and learn held on September 11, 2008. Members of the buy-side community as well as dealers and administrators will participate in the event to discuss OTC derivative processing, the increasing importance of effective collateral management practices and recent trends on the topic. A panel will facilitate discussions what should be done on an industry-wide basis to enhance collateral management practices. To view the lifecycle of collateral management please click here → [Collateral Management](#).
